

Experience

Pikky.io — Product Designer

June 2025 – Present

Designing the full operational layer of a restaurant POS — live orders, kitchen display, inventory management, and settings. Focused on reducing friction in high-frequency workflows for restaurant staff working under pressure.

Prompt BI (formerly Skizaa AI) — Design Lead

Jan 2024 – Apr 2025

Led all product design for an AI-powered BI platform. Owned the end-to-end design process from user research to final UI, and partnered with PMs and engineers to turn complex data workflows into accessible, intuitive experiences.

Skizaa Education — UX Designer

May 2023 – Jan 2024

Owned UX design for learning platform and admin tools, improving information architecture and streamlining workflows across student, educator, and admin experiences through user-centered design and cross-functional collaboration

HireGenZ.in — Part-time UX Designer

Apr 2023 – Jun 2023

Worked on candidate and recruiter-facing experiences for a hiring platform, delivering rapid design iterations in a fast-paced startup environment.

DesignGare Studio — UX Designer Intern

Dec 2022 – Apr 2023

Supported UX research, wireframing, and UI design for client projects, gaining hands-on experience working within real product and delivery constraints.

Education

UX Design

Self-taught through production work and continuous learning Google UX Design Certificate (Coursera), Interaction Design Specialization (Coursera)

BTech in Computer Science & Engineering

Maulana Abul Kalam Azad University of Technology, 2020
